Independent Auditors' Report

To the Board of Directors of Largan Precision Co., Ltd.:

Opinion

We have audited the financial statements of Largan Precision Co., Ltd.("the Company"), which comprise the balance sheet as of December 31, 2023 and 2022, the statement of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the financial statements, including a summary of material accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements of the current period. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Inventory valuation

Please refer to Note 4(g), Note 5, and Note 6(f) for accounting policies, uncertainty of accounting estimates and assumptions, and related disclosures for inventory valuation.

Description of key audit matter:

Inventories are stated at the lower of cost or net realizable value. With the rapid development of technology, and significant changes in market demand, the severe volatility to sales may lead to risks, wherein the costs of inventories may exceed its net realizable values. Therefore, the valuation of inventories has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures include obtaining an inventory aging report, analyzing the movement of inventory aging and evaluating the reasonableness of the Company's accounting policies, such as allowance for inventory valuation and obsolescence; performing a retrospective test of the Company's historical accuracy of judgments with reference to inventory valuation and comparing with the current period to evaluate the appropriateness of the estimation and assumptions used; examining whether the valuation of inventories is in compliance with the accounting policies of the Company; understanding the basis of the selling price the management used to ensure the reasonableness of net realizable value of inventories; reviewing sales in the subsequent period, as well as assessing the basis of the net realizable value the Company used to determine the sufficiency of allowance of inventories and whether the related disclosures are appropriate.

Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit committee) are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information on the investment in other entities accounted for using the equity method in order to express an opinion on this financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Kuo, Shyh-Huar and Wu, Chun-Yuan.

Independent Auditors' Report

To the Board of Directors of Largan Precision Co., Ltd.:

Opinion

We have audited the consolidated financial statements of Largan Precision Co., Ltd. and its subsidiaries ("the Group"), which comprise the consolidated balance sheet as of December 31, 2023 and 2022, the consolidated statement of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of material accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the International Financial Reporting Standards ("IFRSs"), International Accounting Standards ("IASs"), Interpretations developed by the International Financial Reporting Interpretations Committee ("IFRIC") or the former Standing Interpretations Committee ("SIC") endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Inventory valuation

Please refer to Note 4(h), Note 5, and Note 6(g) for accounting policies, uncertainty of accounting estimates and assumptions, and related disclosures for inventory valuation.

Description of key audit matter:

Inventories are stated at the lower of cost or net realizable value. With the rapid development of technology, and significant changes in market demand, the severe volatility to sales may lead to risks, wherein the costs of inventories may exceed its net realizable values. Therefore, the valuation of inventories has been identified as one of the key audit matters.

How the matter was addressed in our audit:

In relation to the key audit matter above, our principal audit procedures include obtaining an inventory aging report, analyzing the movement of inventory aging and evaluating the reasonableness of the Group's accounting policies, such as allowance for inventory valuation and obsolescence; performing a retrospective test of the Group's historical accuracy of judgments with reference to inventory valuation and comparing with the current period to evaluate the appropriateness of the estimation and assumptions used; examining whether the valuation of inventories is in compliance with the accounting policies of the Group; understanding the basis of the selling price the management used to ensure the reasonableness of net realizable value of inventories; reviewing sales in the subsequent period, as well as assessing the basis of the net realizable value the Group used to determine the sufficiency of allowance of inventories and whether the related disclosures are appropriate.

Other Matter

The Company has additionally prepared its parent company only financial statements as of and for the years ended December 31, 2023 and 2022, on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the Audit Committee) are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Kuo, Shyh-Huar and Wu, Chun-Yuan.

For shareholders' meetings convened by any other person having the convening right other than the Board of Directors, he/she will act as the chairman of that meeting, however, if there are two or more persons having the convening right, the chairman of the meeting shall by elected from among themselves.

- Article 13: All shareholders are entitled to one vote for each share held, except for shares that have no voting power under the circumstances stipulated in Article 179 of the Company Act.
- Article 14: Unless otherwise provided for in the Company Act, a resolution shall be adopted if voted in favor by a majority of votes by attending shareholders representing more than one-half of the total number of voting shares.
- Article 15: Resolutions made during the shareholders' meeting shall be recorded in the minutes in accordance with Article 183 of the Company Act.

Chapter 4 Directors and Audit Committee

Article 16: The Company shall have seven to nine Directors. The term of office for Directors shall be three years and all shall be eligible for re-election. The total proportion of shares held by all Directors of the Company shall be subject to regulations prescribed by the securities authority.

The Company shall have, among the aforementioned Directors, at least three independent Directors, and the number of Independent Directors shall not be less than one-fifth of the total number of Directors. The Company's Directors shall be elected by the shareholders from among the nominees listed in the roster of candidates based on a candidate nomination system.

The "Directors" referred to in these Articles of Incorporation include Independent Directors.

The candidate nomination system shall be implemented in accordance with Article 192-1 of the Company Act.

- Article 16-1: Meetings of the Board of Directors shall be convened quarterly and Directors shall be notified of the purpose of the meeting at least seven days in advance. A meeting may be convened at any time in case of urgent circumstances. The notice for a Board of Directors meeting may be made in writing, or by facsimile, email, or other methods.
- Article 17: In the case that the number of vacancies on the Board of Directors reaches one-third of the total number of Directors, then the Board of Directors shall convene, within 60 days, a special shareholders' meeting to elect succeeding Directors or Supervisors to fill such vacancies; the term of office of the newly elected members shall be the same as remaining term of the predecessor.

- Article 18: In case election of the Board of Directors cannot be completed before the expiration of the term of office, the term of office for the existing Directors shall be extended until the new Directors elect assume office.
- Article 19: The Board of Directors shall be formed by the Directors. The Chairman and Vice Chairman shall be elected by a majority of votes in a meeting attended by over two-thirds of the Directors. The Board of Directors shall execute all matters of the Company in accordance with applicable laws, regulations, these Articles of Incorporation, and resolutions adopted at shareholders' meeting and by the Board of Directors.
- Article 20: The Company's business strategies and other important matters shall be decided by resolutions adopted by the Board of Directors. The first meeting of the Board of Directors for each new term shall be convened in accordance with Article 203 of the Company Act. Other meetings shall be convened and presided over by the Chairman. If the Chairman is unable to perform his/her duties, the Vice Chairman shall act on the Chairman's behalf. If the Vice Chairman is also unavailable or unable to perform his/her duties, the Chairman shall designate one of the Directors to act on his/her behalf. In the absence of such a designation, the Directors shall elect from among themselves an acting Chairman of the Board of Directors.
- Article 21: Unless otherwise provided for in the Company Act, the adoption of a resolution at a Board of Directors meeting shall require a majority vote in favor of the resolution by more than one-half of the Directors in attendance of the meeting. If a Director is unable to attend a meeting, he/she may appoint another Director to attend the meeting on his/her behalf by completing the Company's proxy form, specifying the scope of authority with respect to the subjects to be discussed at the meeting. Each Director may act as a proxy for one other Director only.
- Article 22: Resolutions adopted at the meeting of the Board of Directors shall be recorded in the minutes and signed or sealed by the Chairman. The minutes shall be distributed to each Director within 20 days after the meeting. The minutes shall include a summary of the essential points of the proceedings and the results of the meeting. The minutes shall be kept by the Company along with the attendance list with signatures of the Directors in attendance and the proxy authorization forms for proxy attendees.
- Article 23: Deleted.
- Article 23-1: Directors of the Company shall be entitled to remuneration for their duties regardless of profit or loss. The Board of Directors is authorized to determine the remuneration within the standards for maximum salaries established in the Company's Remuneration Policy based on the level of their participation in the Company's operations and the value of their contribution. The Board of Directors may pay transportation allowances to Directors based on prevailing rates in the industry. Directors of the Company who work in the Company shall be entitled to monthly salaries in accordance with salary standards of regular managerial officers in addition to the Director compensation specified in Article 26 of these Articles of Incorporation.

Article 23-2: The Board of Directors is authorized to take out liability insurance for the Directors with respect to the liabilities resulting from exercising their duties during their term of office to reduce the risk of material damages to the Company and shareholders caused by illegal actions of its Directors.

Chapter 5 Managerial Officers and Staff

Article 24: The Company may appoint a number of managerial officers in accordance with applicable regulations. The appointment, dismissal and compensation of such managerial officers shall be governed by Article 29 of the Company Act.

Chapter 6 Final Accounts

- Article 25: The Board of Directors of the Company shall prepare and submit the following documents at the end of each fiscal year to the general shareholders' meeting for adoption, in accordance with regulations:
 - 1. Business report.
 - 2. Financial statements.
 - 3. Proposal Concerning Distribution of Earnings or Offset of Losses
- Article 26: In the event the Company makes profits (i.e. profit before tax and before compensation distribution to the employees and Directors) in any fiscal year, it shall set aside 1% to 30% of the profits as employee compensation and no higher than 5% of the profits as Directors compensation. If there are cumulative losses, the Company shall reserve a sufficient amount to offset such losses.

Employee and Directors compensation shall be resolved by a majority vote at a Board of Director meeting attended by two thirds of the total number of Directors and shall be reported to the shareholders' meeting. The Board of Directors may resolve to distribute employee compensation in stocks or cash and the recipients may include employees of subsidiaries of the Company meeting certain requirements set by the Board of Directors.

Article 26-1: The Company's surplus earnings distribution or loss off-setting proposal may be proposed at the close of each half fiscal year.

Where the Company has a profit at the end of each half fiscal year, the Company shall estimate and reserve the taxes to be paid, offset losses according to regulation, estimate and reserve employees and Directors' compensation, and allocate 10% as legal reserve, unless accumulated legal reserve has reached the total paid-in capital. Then, set aside or reverse a special reserve in accordance with relevant regulations or as requested by the competent authorities.

If a surplus remains, the balance combined with undistributed retained earnings from preceding periods shall be distributed according to the distribution plan proposed by the Board of Directors. If distributing in the form of new shares to be issued, the Company shall follow the provisions of Article 240 of the Company Act. If distributing in the form

of cash, it shall be approved by the Board of Directors.'

Where there is a profit at the end of each fiscal year, besides payment of income tax and offset of losses in preceding years, the remaining shall be distributed as follows:

- 1. Allocate 10% as legal reserve, unless accumulated legal reserve has reached the total paid-in capital.
- 2. Where necessary, set aside or reverse a special reserve in accordance with relevant regulations.

If a surplus remains, the balance combined with undistributed retained earnings from preceding periods shall be distributed according to the distribution plan proposed by the Board of Directors.

If distributing in the form of new shares to be issued, the plan shall by submitted to the shareholders' meeting for approval. If distributing in the form of cash, the Board of Directors shall adopt a resolution by a majority vote at a meeting attended by over two thirds of the Directors and report such distribution to the shareholders' meeting.

Pursuant to Article 241 of Company Act, the Company may distribute its legal reserve and capital reserve, in whole or in part, by issuing new shares or by cash to its shareholders in proportion to the number of shares being held by each of them in the method specified above.

As the Company experiences constant changes in the business environment and is at a stage of stable growth, the Company's dividend policy depends on factors such as future fund requirements, long-term financial plans, future capital expenditures and maximization of shareholder interests. The Company may retain a portion of earnings based on operational requirements and the remaining amount shall be distributed in cash and stock dividends. The amount of dividends distributed to shareholders shall be no less than 10% of distributable earnings of the current year, and no less than 30% of the shareholders' dividends shall be in the form of cash.

Chapter 7 Supplemental Provisions

- Article 27: The internal organizational rules and bylaws of the Company shall be established separately by the Board of Directors.

Rules and Procedures of Shareholders' Meeting

- Article 1: Unless otherwise provided for in applicable laws or regulation, shareholders' meetings of this Company (hereinafter referred to as the Company) shall be conducted in accordance with these Rules and Procedures.
- Article 2: The Company shall provide attending shareholders with an attendance book to sign in, or attending shareholders may submit attendance cards in lieu of signing in. The number of attending shares shall be calculated according to the attendance book and the attendance cards submitted plus the number of shares exercised by correspondence or electronic means.
- Article 3: Attendance and voting rights at shareholders' meetings shall be calculated based on the numbers of shares represented.
- Article 4: The venue of shareholders' meetings shall be on the Company's premises or at another place convenient for shareholders to attend and suitable for such a meeting. The meeting shall begin no earlier than 9 a.m. and no later than 3 p.m.
- Article 5: If a shareholders' meeting is convened by the Board of Directors, the Chairman of the Board of Directors shall be the chairman presiding at the meeting. If the Chairman of the Board of Directors is on leave or unable to perform his duties for any other reason, the Vice Chairman shall preside at the meeting on the Chairman's behalf. If the Vice Chairman is also on leave or unable to perform his duties for any other reason, the Chairman of the Board of Directors shall appoint a Managing Director to act on his behalf. If there are no Managing Directors, the Chairman shall appoint a Director to act on his behalf. If the Chairman does not make such a designation, the Managing Directors or Directors shall select one person from among themselves to serve as chair.

If the shareholders' meeting is convened by any other person entitled to convene the meeting other than the Board of Directors, such person shall be the chair of the meeting.

- Article 6: The Company may appoint designated counsel, certified public accountants or other relevant persons to attend the shareholders' meeting.
 - Staff handling administrative affairs of a shareholders' meeting shall wear identification badges or armbands.
- Article 7: The Company's shareholders' meetings must be videotaped or audio recorded and kept for at least one year.
- Article 8: The chair shall call the meeting to order at the appointed time. However, if the attending shareholders do not represent more than one-half of the total number of issued shares, the chair may postpone the meeting time. No more than two such postponements, for a combined total of no more than one hour shall be made. If after two postponements the attending shareholders still represent less than one-half of the total number of issued shares but represent more than one-third of the total issued shares, provisional resolutions may be adopted in accordance with Article 175, Paragraph 1 of the Company Act.

If during the process of the meeting the number of issued shares represented by the shareholders present becomes sufficient to constitute the quorum, the chair may submit the provisional resolutions to the meeting for approval in accordance with Article 174 of the Company Act.

Article 9: The agenda of the shareholders' meeting shall be set by the Board of Directors if the meeting is convened by the Board of Directors. The meeting shall proceed in accordance with the agenda unless otherwise resolved at the meeting.

The provisions of the preceding paragraph apply mutatis mutandis to a shareholders' meeting that is convened by any person other than the Board of Directors entitled to convene a meeting.

Unless otherwise resolved at the meeting, the chair cannot announce adjournment of the meeting before all the items (including extemporary motions) listed in the agenda are resolved.

The shareholders cannot designate any other person as chair and continue the meeting in the same or another place after the meeting is adjourned.

Article 10: When a shareholder presents at the meeting wishes to speak, a speaker's slip shall be filled out with summary of the speech, the shareholder's number (or the number on their attendance card) and the name of the shareholder. The sequence of speeches by shareholders shall be decided by the chair.

If a shareholder present at the meeting submits a speaker's slip but does not speak, the shareholder shall be deemed to have not spoken.

In case the contents of the speech of a shareholder are inconsistent with the contents of the speaker's slip, the spoken content shall prevail.

Unless otherwise permitted by the chair and the speaking shareholder, no shareholder shall interrupt the speech of other shareholders, otherwise the chair shall stop such interruption.

Article 11: Unless otherwise permitted by the chair, each shareholder shall not speak more than twice on the same discussion item and each speech may not exceed five minutes.

If a shareholder violates the rules outlined in the preceding paragraph or exceeds the scope of the discussion item, the chair may stop the shareholder's speech.

Article 12: Any legal entity designated as proxy by a shareholder to be present at the meeting may appoint only one representative to attend the meeting.

If a legal entity is a shareholder and designates two or more representatives to attend the meeting, only one representative can speak for each discussion item.

- Article 13: After the speech of a shareholder, the chair may respond in person or designate another person to respond.
- Article 14: The chair may announce to end the discussion of any resolution and call for a vote if the chair deems it appropriate.
- Article 15: The chair shall appoint persons responsible for monitoring and counting ballots e However, the persons responsible for monitoring ballots must be shareholders. The result of voting shall be announced on-site at the meeting and placed on record.
- Article 16: During the meeting, the chair may, at his discretion, set time for intermission.
- Article 17: A resolution shall be adopted by a majority of the votes represented by the shareholders present at the meeting. At the time of a vote, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders for each proposal, followed by a poll of the shareholders. On the same day after the meeting, the results of each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the Market Observation Post System.

All shareholders are entitled to one vote for every share held, except for the circumstances stipulated in Article 179 of the Company Act where shares are not assigned voting rights. When one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed 3% of the voting rights represented by the total number of issued shares. Any excess of that percentage shall not be included in the calculation.

- Article 18: When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the sequence of voting. If any one of them has been adopted, the other proposals will then be deemed vetoed, and no further voting shall be required.
- Article 19: The chair may instruct disciplinary officers (or security personnel) to help maintain order at the meeting place. Such disciplinary officers or security personnel shall wear arm bands which identify their roles as "Disciplinary Officer."
- Article 20: These Rules and Procedures shall be implemented following approval by a shareholders' meeting. The same applies in the case of amendments.
